**11-3-2008**

Takenup today *suo moto*. On going through the Judgment dated 7-3-2008 it has come to my notice that some inadvertent mistake has occurred in the Judgment. Since the matter is settled as per the composition the order of adjudication of the lower court is to be annulled in terms of section 40 of the insolvency Act and the provisions of section 38 of the Act has to comply. Therefore the portion of the Judgment. "Since the matter is settled as per the scheme of composition the learned counsel for the appellants submitted that the appeal need not be proceeded. Hence the appeal is dismissed" is *suo moto* renewed and modified as follows:

"Since the matter is settled as per composition the order of adjudication of the lower court dated 20-12-2002 is annulled and the appeal is allowed." The appellants/ insolvents shall publish the order of annulling the adjudication in the gazette and produce the same before the insolvency court within three months from today.

Dictated in open court on 11th day of March, 2008.

I Addl. District Judge.
